Details

Mild steel Cycle shelter with boltdown fixing. Shelter is available in a galvanised or polyester powder coated RAL code colour finish. Comes with optional cycle parking, galvanised bike stands. Specification Includes optional galvanised bike stands for cycle parking Includes assembly bolts, expanding foundation bolts for concrete plinth and arrangement drawing for assembly No crawl under perimeter Complies with secure storage as required by the Code for Sustainable Homes 50mm box tube Hot dipped galvanised or polyester powder coated to BS EN ISO 1461:1999 standard finish. Any RAL code colour. Shelter comes with adjustable overground fixing feet Built-in solar LED lighting (optional) - for added security and a feeling of safety, the solar panelled built-in LED light is a simple way to help cyclists feel at ease during the dark winter months. Gate closing gas strut (optional) - this ensures gates are securely closed behind cyclists as they enter and exit the enclosure. This bike shelter can help contribute towards gaining ENE8 Cycle storage credits when used in the appropriate situation, under the Code for Sustainable Homes.
